At each dividend payment date, dividends on shares nominated by shareholders to be subject of the DRP are automatically invested in Stanmore Coal ordinary shares.

With a focus on generating strong cash flows and maintaining balance sheet strength, Stanmore Coal aims to deliver returns to shareholders through improving returns on invested capital. As well as share price appreciation, Stanmore Coal seeks to pay dividends over time commensurate with performance in earnings, cash flow, the cyclicity of our industry and any capital management decisions from time to time.

Yours faithfully
